WP(C) No. 37595 of 2007

Dated, this the 18th day of December, 2007

J U D G M E N T

Petitioner was given a domestic electricity connection by installing three posts, out of which one post was stated to be installed in the property of 5th respondent without his consent. Pursuant to complaint, KSEB has disconnected supply. Petitioner has now filed an objection before the District Collector for restoring the connection. It is not known whether connection cannot be given except through the property of 5th respondent. It is for the 3rd respondent to conduct inspection and draw up a proposal for giving connection to petitioner causing least inconvenience to least number of land owners. If crossing of private property is absolutely essential for giving connection, 3rd respondent is directed to draw the proposal and submit the same to the District Collector within a period of two weeks from the date of production of a copy of this judgment. There will be direction to 4th respondent to hear the objection of the land owners, hear petitioner also and decide the matter within a period of one month from the date of reference. Connection will be restored immediately after orders are issued by the District Collector / ADM.

This writ petition is disposed of as above.
